The SCG-PSA Holdings Joint Venture: Your one-stop Thailand-International Logistics Solution
to answer growing demand for by-sea shipment

Mr. Nithi Patarachoke (Left), President, Cement-Building Materials Business, SCG on behalf of SCG Logistics Management Co., Ltd. and Mr. Ong Kim Pong (Right), Regional CEO Southeast Asia, PSA International, on behalf of PSA Thailand representatives, have co-signed a shareholders' agreement to establish SCG-PSA Holdings Co., Ltd. The conglomerate will see optimal fully integrated domestic-international logistics capacity and services that cover all port management, import-export cargo transfer, all the way to asset utilization and cross-port transportation service that supports regional supply chain and strategic businesses, seamlessly. The operational center will be in Phra Pradaeng District, Samut Prakan Province, Thailand, a strategic location that links Bangkok logistics ports with key industrial zones, like Laem Chabang Port and many others, to form a fully integrated nationwide supply chain network with expanded capability and territory. The optimized network is widely expected to answer businesses in need of local supply chain capacities that have integrated services with international markets in ASEAN-member countries as well as China, Europe, America and beyond.

In the first phase, the plan begins with investment and service in the Thai Prosperity Terminal (TPT), a limited company name which will be changed to Thai Connectivity Terminal (TCT) in the near future.

For those who interested in the service can see more details at <http://www.tptport.com> or request a consultation at Marketing and Customer Relations Department Thai Prosperity Terminal (TPT) 0-2754-4501-9 Ext. 145, 166, 185, 196 or E-mail: cs@tptport.com
